Description: Main Document , Page 2 of 2

Benefit Year Ending Date - The Benefit Year Ending date (BYE) is the date your unemployment insurance claim ends and you can no longer collect benefits on that claim. If you remain unemployed after the BYE date and believe that you had sufficient employment to qualify for a new claim, you must immediately file a new claim.

Weekly Benefit Amount - The amount of money to which a claimant may be entitled each week. The amount is based on the claimant's wages paid during the base period.

Maximum Amount Payable - Although your claim lasts one year, during that time you can only receive 26 times your full weekly rate.

Payment History Terms

Total Amount - The benefit amount to which you are entitled for the week.

Net Amount - The total amount minus any deductions (such as child support or Federal tax withholding), i.e. the amount you received.

Effective Days - The days in a week a claimant may receive benefits. The first three unemployed days of a week that the claimant is eligible are qualifying days. The last four unemployed days of a week that the claimant is eligible are effective days.
